**5252.204-9505 SYSTEM AUTHORIZATION ACCESS REQUEST NAVY (SAAR-N) REQUIREMENTS FOR INFORMATION TECHNOLOGY (IT) (NAVAIR) (MAY 2012)**

(a) Contractor personnel assigned to perform work under this contract may require access to Navy Information Technology (IT) resources (e.g., computers, laptops, personal electronic devices/personal digital assistants (PEDs/PDAs), NMCI, RDT&E networks, websites such as MyNAVAIR, and Navy Web servers requiring Common Access Card (CAC) Public Key Infrastructure (PKI)). Contractor personnel (prime, subcontractor, consultants, and temporary employees) requiring access to Navy IT resources (including those personnel who previously signed

SAAR DD Form 2875) shall submit a completed System Authorization Access Request Navy (SAAR-N), OPNAV 5239/14 (Jul 2008) form or latest version thereof, and have initiated the requisite background investigation (or provide proof of a current background investigation) prior to accessing any Navy IT resources. The form and instructions for processing the SAAR-N form are available at: [NAVAIR Contractor Forms](#).

(b) SAAR-N forms will be submitted to the Contracting Officer's Representative (COR) or Alternate COR, or to the government sponsor, if the contract does not name a COR or Alternate COR via the contractor's Facility Security Officer (FSO). If the contract does not have an assigned COR or Alternate COR (ACOR), the designated SAAR-N Government Sponsor for contractor employees requiring IT access, [fill-in name] shall be responsible for signing and processing the SAAR-N forms. For those contractors that do not have a FSO, SAAR-N forms shall be submitted directly to the COR/ACOR or designated SAAR-N Government Sponsor. Copies of the approved SAAR-N forms may be obtained through the COR/ACOR or designated SAAR-N Government Sponsor. Requests for access should be routed through the [NAVAIR\\_SAAR.fct@navy.mil](mailto:NAVAIR_SAAR.fct@navy.mil) mailbox.

(c) In order to maintain access to Navy IT resources, the contractor shall ensure completion of initial and annual IA training, monitor expiration of requisite background investigations, and initiate re-investigations as required. If requested, the contractor shall provide to the COR/ACOR or designated SAAR-N Government Sponsor documentation sufficient to prove that it is monitoring/tracking the SAAR-N requirements for its employees who are accessing Navy IT resources. For those contractor personnel not in compliance with the requirements of this clause, access to Navy IT resources will be denied/revoked.

(d) The SAAR-N form remains valid throughout contractual performance, inclusive of performance extensions and option exercises where the contract number does not change. Contractor personnel are required to submit a new SAAR-N form only when they begin work on a new or different contract.

**252.232-7007 LIMITATION OF GOVERNMENT'S OBLIGATION (MAY 2006)**

(a) Contract line item(s) 1101 through 1345 are incrementally funded. For these item(s), the sum of \$3,230,307.02 of the total price is presently available for payment and allotted to this contract. An allotment schedule is set forth in paragraph (j) of this clause.

(b) For item(s) identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government's convenience, approximates the total amount currently allotted to the contract. The Contractor is not authorized to continue work on those item(s) beyond that point. The Government will not be obligated in any event to reimburse the Contractor in excess of the amount allotted to the contract for those item(s) regardless of anything to the contrary in the clause entitled "Termination for Convenience of the Government." As used in this clause, the total amount payable by the Government in the event of termination of applicable contract line item(s) for convenience includes costs, profit, and estimated termination settlement costs for those item(s).

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (j) of this clause, the Contractor will notify the Contracting Officer in writing at least ninety days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable item(s). The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (j) of this clause, or to a mutually agreed upon substitute date. The notification will also advise the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (j) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(d) When additional funds are allotted for continued performance of the contract line item(s) identified in paragraph (a) of this clause, the parties will agree as to the period of contract performance which will be covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed substitute date, and the contract will be modified accordingly.

(e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below, in amounts sufficient for timely performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the item(s), or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the clause entitled "Disputes."

(f) The Government may at any time prior to termination allot additional funds for the performance of the contract line item(s) identified in paragraph (a) of this clause.

(g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default." The provisions of this clause are limited to the work and allotment of funds for the contract line item(s) set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. 1342.

(j) The parties contemplate that the Government will allot funds to this contract in accordance with the following schedule:

On execution of contract	\$946,027.45
August 15, 2012	\$ 1,409,684.93
(month) (day), (year)	\$ _____

#### **H.1 Awarding/Exercising Task Order Option Line Items**

(a) Options will be exercised in accordance with the provisions of the basic contract. The government reserves the right to unilaterally exercise the option for any or all of the individual line items or any or all of the Tasks within an individual CLIN listed in the Price Breakout Worksheet at Attachment 1. Individual CLIN/ Tasks may be exercised at different times as long as each is exercised within the applicable option exercise period. The prices set forth in Attachment 1 shall apply at the time the options are exercised.

(b) Prices set forth in Section B for the options exercised are those set out in the Price Breakout Worksheet (Attachment 1) for the CLIN and the corresponding Task Number (level of performance) that is exercised for that option period.

(c) The Government may unilaterally exercise its option for any Task Order line item or subline item (SLIN) or task designated as an option in the Price Breakout Worksheet (except as noted in paragraph (d) below). Such option may be exercised at any time, and from time to time, by issuing a Task Order modification not later than the last day of the then current performance period. The Government shall comply with FAR 52.217-9 notice requirements. **A 30-day written preliminary notice of intent to exercise will be given before the task order expires.** Any option may be exercised subject to the Availability of Funds Clause in Section I.

(d) The Transition period will normally occur during the last two months of the Task Order. However, the two-month Transition (phase out) of any or all task order CLINs, SLINs, or Tasks may be unilaterally initiated by the Contracting Officer at any time during the Task Order's period of performance (basic and/or option periods). When occurring at a time other than the last two months of the task order (basic and all option periods), the Government will provide sixty days notice prior to the onset of Transition. In the event of early initiation of a Transition period, the Government shall pay only the stated Section B and/or Price Breakout Worksheet prices for services performed and no additional termination costs shall be due.

(e) Changes to Stepladders - For a change in level of support within the current exercised priced stepladders, the Government may unilaterally change the level of support requested, provided the Government gives the contractor preliminary written notice of its intent to change stepladders at least ninety (90) days prior to the effective date of change. The Government has the ability to change stepladders for each individual option CLIN within a Fiscal Year provided the contractor is given 90 days notice of the intent to change stepladders. The contractor will not be entitled to an equitable adjustment and the price of the new stepladder will be as priced in the Price Breakout Worksheet at Attachment 1.

(b) Failure to achieve a monthly IF of 100% for the calendar month for any line/subline item in Section B shall result in a reduction of the monthly payment amount for that line/subline item to reflect the reduced value of the services performed.

(c) Computation of each item's IF shall be in accordance with Part 6 of the SOW Addendum B.

(d) The percent to be deducted for an IF below 100% is as follows:

<b>Instruction Factor (%)</b>	<b>% Deducted from Unit Price</b>	<b>Instruction Factor (%)</b>	<b>% Deducted from Unit Price</b>

94 - 94.9	30		

(e) This clause in no way limits the Government's rights under FAR 52.249-8 (Default - Fixed - Price Supply and Service), referenced in Section I of the basic contract. The Government may find the contractor in default for any deficiencies in services. In addition, the Government may withhold some or all payments pursuant to FAR 52.246-4.
